2. Professional Summary/Objective

I am a passionate and dedicated individual with a deep love for design. My journey began in Lagos, Nigeria, and I have consistently strived for excellence in both my academic and extracurricular pursuits. I have a strong commitment to community service, a passion for creative endeavours, and a growing skill set in Design. I am well-versed in various software applications, including Adobe Photoshop, Adobe Illustrator, Adobe After Effects, Adobe Premier pro, Paint 3D, Microsoft PowerPoint, Microsoft Word, Microsoft Excel, Microsoft Access, PostgreSQL.

Additionally, I have experience in video editing with tools like Filmora, Adobe Premier Pro Clip Champ, and Adobe After Effects.

I am a motivated student eager to offer strong Customer Service and Communication Skills. I can excel in fast-paced environments with a high attention to detail and commitment to accuracy.

PAN ATLANTIC UNIVERSITY

COMPUTER SCIENCE YEAR 1 STUDENT (4.1 GPA)

CURRENT COURSE REP OF THE 2024/2025 COMPUTER SCIENCE STREAM 1

2024 - DATE

Achievements & Projects

Project/Achievement Name: PMR (PEACE MAY REIGN)

Description: A clothing brand / business

PMR is a brand started by my friend (ATB) and myself (WUMID).

Growing up we were inspired by the impact a clothing brand could have on the public in terms of influencing the way people thought, perceived environments and situations as well as sending messages.

Key Outcome:

We decided to name our brand PEACE MAY REIGN (PMR). This was inspired as a symbol of hope to bring peace to the world especially when we were in troubling times in 2020 during the COVID 19 PANDEMIC. If there was no COVID 19 PANDEMIC there will be no PMR today.

9. Languages

Language: English

Language: French Proficiency level: Intermediate
